Installs Into The Factory Radio

BNT-AUDIO

SKU# NTV-KIT371

The BNT-AUDIO is an audio interface module for Bentley Continental, Flying Spur and Continental GT vehicles that allows audio to be introduced digitally into the factory stereo system. Coupled with the BNT-KIT video interface module, the BNT-AUDIO provides a true A/V input solution.

BENTLEY-VIM

SKU# NTV-KIT397

The BENTLEY-VIM is a video in motion module for 2009 and up Bentley Continental, Flying Spur, GT and GTC vehicles that play a DVD movie on the front screen while in park. The module allows the passengers to enjoy DVD playback even at highway speeds. In addition, the BENTLEY-VIM enables the ability to enter navigation destination addresses without stopping.

BENTLEY-CAM

SKU# NTV-KIT398

The BENTLEY-CAM is a rear view camera and video in motion module for 2009 and up Bentley Continental, Flying Spur, GT and GTC vehicles. The module is compatible with Bentley vehicles with or without the factory parking assist system and the rear view camera image is automatically displayed on the factory LCD screen when the vehicle is placed into reverse. Additionally, the BENTLEY-CAM enables DVD video playback and navigation destination entry while in motion for passenger entertainment and convenience.
